2021 Standard Specifications

 [2021 Standards Specifications for Road and Bridge Construction – For PC](#)

 [2021 Standards Specifications for Road and Bridge Construction – For Tablet](#)

 [2021 Stored Specifications](#)

Stored Specifications will be issued typically on a monthly or a bimonthly basis. When necessary, the Department may issue Stored Specifications that do not meet the above schedule. The self-extracting zip file contains Stored Specification files saved in *.doc/*.docx format.

Sign up to [receive email notifications](#) about Stored Specifications updates.

Pay Items

Any updates to the Pay Items list will be reflected on the Pay Items file that will be issued with the Stored Specifications web update.

Special Provision Tools

They do have a way to access historical bid prices. They have something with prices here.

<https://apps.azdot.gov/e2c2/HistoricalPrice.aspx>

Put nothing in the search boxes and then hit retrieve. And then at the top download the spreadsheet.
